We couldn't do it without You!

Dear Campaign Coordinator,

United Way connects people who want to make a difference in our community with the people who need help the most. Thank you for joining us as we fight for the education, income, and health of every person in our four-county region.

As you know, we all win when a child succeeds in school, when a neighborhood turns around, when families have good health, and workers have solid jobs.

Our communities are experiencing the effects of Covid 19 in ways that could not have been anticipated. Food insecurity, rent and utility assistance, education, and health care needs are critical. Now, more than ever, we need to continue supporting those agencies that provide the front line services that people need.

United Way’s 2020-21 Community Campaign is kicking off and we thank you for coordinating your workplace giving campaign.

Tips for a Successful Campaign

Get Donors Interested
78% of people are more likely to give a financial donation if they first have a positive engagement experience.

- **Share the story:** Educate employees by inviting an agency speaker to share a story about the positive impact that donor dollars have on our community. Contact your United Way staff to schedule a speaker.
- **See impact in action:** Experience how important United Way-funded programs are to the community by touring an agency.
- **Volunteer:** Strengthen your team and community by participating in a fall volunteer project.

Make the Ask
Research shows that the #1 reason people don’t give to United Way is because they were never asked.

- **Ask for the pledge:** With new donors, ask for a first-time gift. For annual donors, thank them for their past support and encourage an increase.
- **Answer questions and handle concerns:** Answer questions honestly and if you don’t know the answer ask your United Way representative.
- **Leverage incentives:** Employee prizes and incentives are a way to reward employees for participating. No prize is too small. Vacation days, VIP parking, and gift cards are great incentives.

LIVE UNITED All Year Long
We provide you with all the tools you need to show donors how United Way is using their gift, months after they’ve given.

- **Connect on social media:** Advocate for United Way by posting photos of your employee volunteers in action or your special event.
- **Share facts and updates:** Send fun facts and stories via emails, newsletters, the intranet, or a bulletin board.
- **Say thank you:** No matter what the donor decides, be sure to thank them for their time.

Good to know!
Here are a few things to keep in mind as your organization gears up to give.

- **SHARE IT!** Share campaign success with coworkers. Use Social Media platforms to share campaign results and volunteer activity opportunities. Send photos and stories (with permission) to United Way of Coastal Carolina for our newsletter and social media.

BE CREATIVE & HAVE FUN!
Special events during your employee campaign can be a good way to get everyone involved! Raffles, special days (jeans day), theme days, etc. can raise additional dollars to support United Way’s Community Fund - the most powerful way to invest!
