HOW TO GIVE:

Your choice to give is personal and voluntary. If you're inspired to help make a difference...

- Simply fill out the attached pledge form and submit it to your Human Resources representative or Employee Campaign Coordinator.
- You can choose to donate one-time, or have deductions taken out with each paycheck. Either option is easy and convenient.
- You can choose to donate to the Community Impact Fund, focus your gift on education, income or health, or designate to a United Way Partner Provider.
- Don't forget to include your email address so we can keep you informed of the good work that your investment is doing.

GIVE. ADVOCATE. VOLUNTEER.
